COUNSELOR REQUIREMENTS

If your group can provide a minimum of 2 adults each of the same gender for the youth you are bringing, that is always helpful and enables us to more easily abide by Safe Sanctuary guidelines.

However, at a minimum, each group needs to bring one counselor* for up to 6 youth of the same gender. Example: 3 males and 10 females requires 1 male counselor and 2 female counselors. *Counselors must be at least 4 years older than the oldest youth they will supervise.

**If your group is unable to find counselor(s), pay the registration fee for the number you need and Lakeshore will recruit them for you. Mark this on the form above -this request MUST be made at least 2 weeks in advance of the retreat.

Mail your form (and list of participants) to:

Have you read the book *Rainbow Fish*? You know how the Rainbow Fish discovers that his special, sparkling scales were truly a gift he could share with others? Well, we're going to be doing the very same this weekend. God has given each of us spiritual gifts, and it is never too early to begin discovering what they are.
