Jesus uses the illustration of plants in many parables. Plants are a good example of how we are to grow with Christ. During the weekend we will study many verses revolving around plants to challenge us to strengthen our relationship with God.

## Adult Requirements

Please remember that you are responsible for your kids during the retreat. This is a great opportunity to build strong and lasting relationships with them. Plan to participate **with them** during the retreat, not only during session times but **free time as well**.

For your records, please have a signed permission slip & medical form.

If your group can provide a minimum of 2 adults each of the same gender for the youth you are bringing, this enables us to more easily abide by Safe Sanctuary guidelines.

However, at a minimum, each group needs to bring one counselor\* for up to 6 youth of the same gender. Example: 3 males and 10 females requires 1 male counselor and 2 female counselors. \*Counselors must be at least 4 years older than the oldest youth they will supervise.

**\*\*If your group is unable to find counselor(s), the registration fee must be paid for the number of counselors you will need and Lakeshore will recruit them for you. This request MUST be made at least 2 weeks in advance of the retreat.**
