WELCOME TO THE 'SHORE

LINKED BY LOVE: SUMMER 2024

The first thing that came to mind when I heard our theme for this summer, "Linked by Love," was an older camp song that we always called "The Love Round." We haven't sung it a ton lately, but it used to be a music staple around here. The first verse sums up the mandate Jesus gave us as God's people:

*Love the Lord your God / With all your Heart
And all your soul / And all your mind*

And Love all humankind / As you would Love yourself.

The third verse gets to the heart of what it means to be "Linked by Love:"

We've got Christian lives to live

*We've got Jesus' love to give / We've got nothing to hide
Because in God we abide. Love.*

There is nothing greater in all our faith than "Love." We invite you to join us this summer as we embark on a journey of love, connection, and shared experiences.

Imagine young hearts linked by love forming a colorful chain of friendships against the picturesque backdrop of Kentucky Lake. At Lakeshore, the threads of faith, fellowship, and fun come together, creating a link that transcends differences and celebrates the unity found in love. We understand that love is a powerful force that manifests itself in relationships of all kinds, shaping our understanding of commitment, intimacy, grace, and faith.

Utilizing active learning models, cabin group interactions, video, and song (among many resources), we will celebrate as the Grace of God's love brings unforgettable connections that can literally be life changing. Join the chain. See you this summer.

Life, Love, and the God of Grace,

Reverend Gary D. Lawson, Sr.
Executive Director

TIERED PRICING

Summer camp is a positive life changing experience for many children and youth. We believe that every child should be able to come to camp, which is why we offer tiered pricing. Lakeshore summer camps are a great value! We are proud to say that all of our basic camp programs are priced under the regional average price.

You may be surprised to learn that the rates Lakeshore has historically charged are subsidized and well below the true cost of a week at camp. Camps across the country are receiving fewer and fewer subsidies, and Lakeshore is no exception. In order to continue to offer the same great programming with new and improved activities, rates would need to increase drastically. Rather than raise prices on all families, tiered pricing essentially asks families with greater financial means to consider picking a tier more closely resembling the direct cost of camp. This honor system approach makes it financially possible for any child to come to camp.

Tiered pricing is intended to allow families to select the level of payment most appropriate for their circumstances. Each family may freely choose to participate in **TIER 1**, **TIER 2** or **TIER 3** level of payment. Every camper has the same experience regardless of the chosen tier and only the office will know who chose which payment level. Lakeshore believes that every child should be able to come to camp and will continue to offer camperships for campers who need greater financial assistance.

An explanation of the three tiers:

TIER 1: TRUE – For families who are blessed to be able to pay first tier pricing, this tier more accurately reflects the true cost of camp including all aspects of maintaining facilities in good condition, insurance, utilities, etc. By choosing this tier, you can help Lakeshore make needed upgrades and continue to grow in the future.

TIER 2: INTERMEDIATE – This tier is a mid-level between our historically subsidized rate and the true cost of camp. This tier more closely reflects the direct costs of a week of camp, including program costs, food, summer staff and camp administration.

TIER 3: HISTORICALLY SUBSIDIZED – This tier most closely matches our traditional fee structure, which has been subsidized. This rate does not reflect what it “really costs” to offer camp programs. Because we want to make every effort to keep the cost of camp as affordable as possible, Tier 3 will keep the historically subsidized rate.

Our Goals for Tiered Pricing:

- To offer the highest quality programs possible, providing opportunities for fun, fellowship, inspiration and adventure.
- To make camp affordable for all income levels.
- To preserve camp for generations to come.
- To provide an opportunity for partnership with those in a position to further the impact of Lakeshore’s summer ministry.

Again, please note that this program is voluntary and in no way influences the experience children receive, yet it offers the opportunity for families to take an active role in supporting the true cost of their child’s camp experience.

ELEMENTARY AGE CAMPS

PRIMARY ELEMENTARY*

June 30–July 3 ages 7–9 **\$325** **\$290** **\$255**

Our usual theme time fun will be supported with a greater emphasis on arts and crafts, such as painting, simple pottery, etc. This camp is never the same from summer to summer because the leadership is always finding something new for the campers to experience. Add in all the normal Lakeshore fun of swimming, beach and nature fun and so much more and your artistic camper will have a week to remember.

July 7–13 ages 9–12 **\$585** **\$550** **\$515**

Worship Arts & Music is a week-long experience for those who are creative, enjoy music, and don't mind being a little dramatic. You will spend your time creating skits, singing songs, dancing, and even dabbling in the visual arts. WAM camp is a high energy, song filled, goofy week that allows all of our creative campers to have a chance to learn new forms of art expression, share their talents, and enjoy all the typical camp activities. This is a small community of like-minded individuals who understand your desire to act, sing, and dance. At the end of the week you will get to put all your talents together and perform an unbelievable show for all the parents and staff! Don't miss out on your chance to shine while sharing the talents God has given you!

June 2–8 ages 9–11 **\$580** **\$545** **\$510**

This is a great way for our younger campers that may have done the 3-day wilderness experience already or campers that love the outdoors and want to stay as long as possible, to have even more time to explore the outdoors. This will mean more adventures, more creek stomping, more lake time, more everything!

Board games provide a great opportunity to experience trust, friendship, and a true sense of community. Add in the other usual camp activities and this makes for a great week. Some local residents give permission for the camp to come and try their luck at their ponds. The week is capped off with a fish fry on Friday night, complete with hushpuppies, slaw and fries. Campers need to bring their own rod and reel. Lakeshore will provide the bait.

ADVENTURE/WILDERNESS CAMPS

TREEHOUSE WILDERNESS CAMPS

Set out on a wilderness adventure and join one of Lakeshore's most popular camps. Campers sleep in platform tents on top of a high hill overlooking the forest and river below. While the main wilderness site is rustic (no electricity or running water), there is a composting bathroom on-site and a bathhouse with showers at the bottom of the hill. This camp is limited to 26 which allows campers and leadership to build a tight knit community in just one short week. The week is full of outdoor adventures such as climbing the High ropes course, zooming over the trees on a zipline and exploring parts of Lakeshore very few people see.

All children need quality time with a significant adult in their life. This camp offers a great opportunity to do just that in a fun, active environment. All family combinations are welcome. This camp offers you the chance to make special memories with your little one as you serve as their counselor during this mini-camp experience. Your child's camp stories of games, crafts, swimming, pontoon rides, bunk beds, great camp food and learning about Jesus during session time are more complete when their parent, grandparent or other important adult is a central character in those stories.

DAY SHORE

DID YOU KNOW... Lakeshore can bring camp to your area through our DayShore program. We will partner with your local church to provide a Christ-centered day camp week filled with fun, friends, and faith. If you want additional information about a Dayshore program in your area, call the Lakeshore office at 731-584-6102.

SPECIAL NEEDS CAMPS

THESE CAMPS ARE ALWAYS A FAVORITE OF CAMPER AND STAFF

These camps are overflowing with love and joy! Lakeshore offers two weeks for campers with special needs ages 14-99. Campers experience all the usual Lakeshore activities such as swimming, crafts, games and pontoon boat rides all under the watchful eye of their ever-present counselors. Campers need to be able to participate in all activities and sessions and be physically able to handle outdoor activity. It is important that campers are able to feed themselves, take care of hygiene needs and have sleep habits which allow for several in one room to be able to rest.

CAMP WONDER May 27–31 ages 14–30 **\$480** **\$445** **\$410**

CAMP JOY June 10–14 ages 31 & up **\$480** **\$445** **\$410**

CAMP HOPE SERIES

Lakeshore offers a series of camp programs designed to meet the specific needs of children and youth living on the edges. These programs are NOT designed to be a psycho-analytical counseling experience, but a time of building community and bearing witness to the hope of God's dependable and unconditional love. These camps are offered without a fee, however, persons or organizations wishing to fund the cost of these camps may do so at a fee of \$360 per camper. To ensure more families can be served through this program, each camper is permitted to attend two weeks only. We prefer that a camper attend two different type sessions – for example, one Teen Hope and one Camp Peace but not two Camp Peace sessions.

ELEMENTARY CAMP HOPE

June 30–July 3

ages 8–12

This camp session is a Christ-centered, spiritually empowering 4-day/3-night summer camp experience for children (ages 8–12) with past or present exposure to alcohol and/or drug abuse. Surrounded with the usual wonders of Lakeshore, this time of recreation, friendship and Bible-based fun is intended to lead campers to an awareness of love and acceptance we all enjoy in God's kingdom. (This camp is limited to 24 females and 24 males. Check-in is Sun. at 7pm; check-out is Wed. at 11am).

CAMP TEEN HOPE

Teen Hope Camp is the teenage version of Elementary Camp Hope. (see description on previous page). Teen Hope Campers will enjoy all the adventure Lakeshore has to offer on Kentucky Lake. A little water tubing and beach fun will join up with the usual Lakeshore activities, including our ropes course, for a week of great fun.

CAMP TEEN HOPE #1 – Females May 27–31 ages 12–15

CAMP TEEN HOPE #2 – Males June 3–7 ages 12–15

CAMP TEEN HOPE #3 – Sr. High Females June 10–14 ages 15–18

CAMP TEEN HOPE #4 – Males July 8–12 ages 12–15

CAMP GRACE – Females July 15–19 ages 12–16

For female victims of sexual abuse—anger, loneliness and confusion are just a few of the things at play in our emotions. We need to be able to trust, experience self-worth and be a valid part of community again. As we explore the adventure-based activities that make Lakeshore great fun, we will also look into the gift God has given us in our sexuality, the ugliness that some people place upon it, and the things it takes to become secure in it all.

CAMP PEACE

This camp addresses the needs of children and youth in our society who respond to everyday situations and problems with aggressive behavior. Camp staff will help youth learn ways to short-circuit their tendency toward violent responses, while helping campers develop effective problem solving skills that enable them to avoid confrontation. Add in all the fun and wonder of Lakeshore's normal camp activities, the opportunity to develop new friendships and the beauty of God's fabulous creation and you have all the elements of a life changing week.

CAMP PEACE #1 – Males June 17–21 ages 12–15

CAMP PEACE #2 – Females June 24–28 ages 12–15

CAMP PEACE #3 – Females July 22–26 ages 12–15

FAQs

HOW ARE CABIN ASSIGNMENTS MADE?

Most cabins have a maximum of 12 campers with 2 counselors. For the best camping experience, we will place a **maximum of 4 campers** that know each other in the same cabin. While we seek to honor your wishes, we also value kids making new friends.

WHERE DOES MY CHILD SLEEP?

All campers, except those that attend a wilderness camp, will sleep in cabins that have air conditioning and bathrooms located in the cabin. Wilderness campers sleep in a rustic (no electricity) outdoor area with canvas tents that sleep 8 set up on wooden platforms—bath house is located some distance from the wilderness area but there is an outhouse located at the wilderness site.

HOW DO I CONTACT MY CHILD?

You are welcome to send your camper mail or care packages. Be sure and put your camper's first and last name and mail to Lakeshore Camp, 1458 Pilot Knob Rd, Eva, TN 38333. Please do not send a cell phone with your camper. Having the ability to contact friends and family at home all throughout the week has a tendency to break down community and keep some campers from having a complete camp experience.

WHAT CAN BE SENT IN CARE PACKAGES?

It is always good to send something that the camper can share with their cabin mates—this makes everyone excited for someone in their cabin to get a package. Fun ideas are stickers, glow sticks, balloons, etc. Please do not send gum or silly string. If you send candy please avoid any type of peanut product.

WHAT ABOUT EMAIL?

Lakeshore has partnered with a company called "Bunk1" to enable campers to receive one-way emails. (There is a fee for this service and a portion of these sales goes into Lakeshore's scholarship fund). These emails are delivered at lunch each day beginning on the first full day of a camper's week, with the final email being delivered during Friday lunch. Information about this service is available at the Lakeshore website—lakeshorecamp.org or by calling the camp office at 731-584-6102.

WHEN DOES MY CAMPER CHECK IN AND OUT?

A complete listing of all check in and check out times are available at lakeshorecamp.org.

WHAT IF MY CHURCH IS PAYING A PORTION OF THE FEE?

For a paper registration: there are two sections that must be completed. You will indicate how much your church has agreed to pay on the payment portion of the form. There is an additional section with church billing information that must be completed and signed by a church official. For online registration: on the payment screen there will be a "church charge" option. Indicate how much of the camp fee the church is paying and then you will be asked for credit card information for your portion of the fee.

DOES MY CHILD NEED TO EAT LUNCH/SUPPER BEFORE CHECK-IN?

Yes. The first meal served for camps checking in on Sunday night is Monday breakfast. The first meal served for camps checking in on Monday afternoon is Monday dinner.

IS THERE A NURSE ON SITE?

Each week Lakeshore has a volunteer RN on site to assist our summer first-aid staff person.

DO YOU HAVE OTHER QUESTIONS?
