

The retreat format consists of multiple church groups learning together to increase the confirmand's grasp of the community and fellowship they are now a part of. If you would like to participate in the confirmation retreat, your role in bringing the confirmand(s) to a meaningful decision will never be more important.

Pastors may attend at no charge

PRIOR TO THE RETREAT

- Select counselors who are excited to be involved in the confirmands experience at the retreat.
- If you prefer to assign adult mentors to your confirmands on a one-to-one basis, you may do so. However, mentors are not necessary for the retreat.
- Select and meet with your confirmands to explain the process you have chosen and let them know that they will not be asked to make a decision at the retreat. We feel it is the pastor's role to work with the confirmands at the decision-making point.
- Organize transportation for the event and send them off with prayer.
